International Profit Association  
Attn: Al Bachman C.S.D.

Dear Al,

I am writing this letter to you today to let you know what excellent professionals you have. I have been employed with Stonecrafters, Inc. for almost six years and I have been through the last assignment IPA did with our company. I feel after having Peter Wallace and Paul Nadolny walk into our establishment that the leader of this organization, David Hammerl, is not only ready to make the next step forward but has been thoroughly educated as to how he needs to take those next steps.

I personally have been working a great deal with Paul and feel that he has been able to motivate and educate both Dave and myself. He has proven to us that the possibilities are real and attainable. It would be a pleasure to have him back on our next assignments.

Sincerely,

Sue Lawniczak  
Office Manager
